MK-2002-16

MK-2000 Electric Series Wet/Dry Cutting Masonry Saw

The powerful MK-2000 brick saw features include a unique and innovative open-back design allowing large material to be easily cut. The cast aluminum blade guard has stainless steel water tubes that will not bend or rust. The blade shaft assembly is built with sealed, permanently lubricated, heavy-duty bearings for long maintenance free life. The recoil spring return cutting head makes plunge cutting quick and easy. One-year limited warranty.

Model	MK-2001SV
Blade Capacity	14" (350 mm)
Depth of Cut	5" (127 mm)
Length of Cut	16" (406 mm)
Engine/Motor	Electric
Power	1-1/2 HP, 120V
